

## PIXCELLENCE

Pixcellence  
Event  
Photography

*“What a great way to make sure your party is remembered”*

### **London's Premier Event Photographers**

If it's a Christmas party, birthday party or high profile product launch then you need a professional photographer to record your event.

### **On Site Printing**

With our portable studio producing high quality prints we allow your guests to take away their images on the night.

### **Web Gallery**

Images are made available online 24 hours after the event to allow your employees and guests to select images and re-prints
